California Public Safety Broadband Statewide Planning – The Year in Review

California First Responder Network Board of Directors Meeting
December 17, 2014

This document was prepared by SAIC under contract with Cal OES using funds under award 06-10-S13006 from the National Telecommunications and Information Administration (NTIA), U.S. Department of Commerce (DOC). The statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect the views of the NTIA, DOC, or FirstNet.

The Year in Review

Progress, Challenges, and Accomplishments

SAIC®

Year in Review:
Engaging California's First Responders

- Five town hall meetings – The last town hall, held in Sacramento with a focus on 9-1-1, was by far the most heavily attended (190 in-person and via WebEx)
- Broadband Prep Workshops – Sacramento and Diamond Bar
- Presenting and providing information at association, consortia, and council meetings, including
  - San Bernardino County Operational Area Coordinating Council
  - Northern California APCO Conference
  - APCO Emerging Technologies Forum
  - California Communications Association Annual Conference
- California Broadband Planning Survey
- CalFRN Board Meetings – Today's meeting is the 6th held this year

SAIC

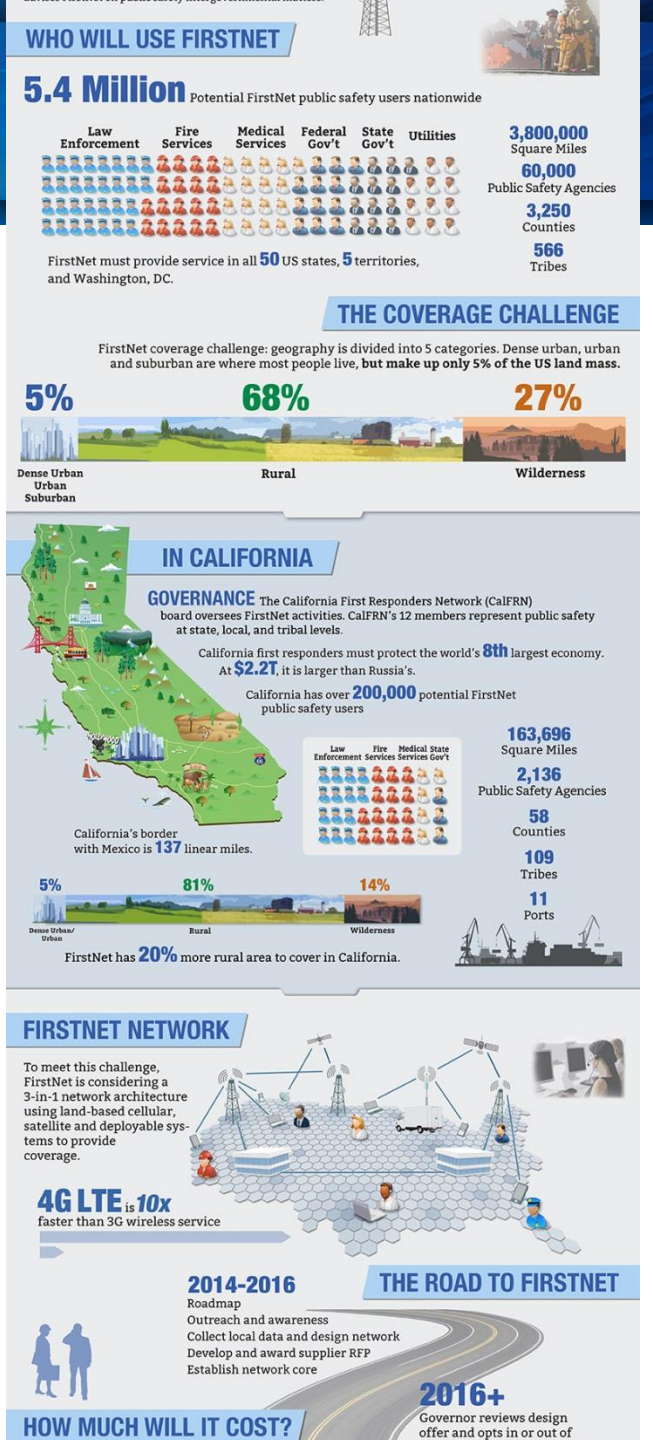
Year in Review:
A Year of Collaboration and Partnering

- Established working relationships with CalFRN Board and local public safety stakeholders
- Supported LA-RICS as FirstNet Early Builder
- Collaborated with CPUC and Dept. of Technology, working to improve Broadband capabilities in non-served and underserved communities
- Partnered with WestNet by participating in bi-weekly conference calls to gather and share information on Outreach and State Consultation Plans
- Invited SPOCs from other states to present at town halls and CalFRN Board Meetings
- Participated in other states' FirstNet Consultation meetings
- Established and worked with CalFRN Advisory Committees to provide comments to the FirstNet RFI, Public Notice definitions, and Initial State Consultation Plan
- Worked with regional public safety stakeholders to conduct town halls

SAIC

Year in Review:
Documents delivered during the year

- California Public Safety Broadband Education and Outreach Plan
- California First Responder Stakeholder Outreach List
- CalFRN Board Bylaws
- FirstNet in California Survey
- FirstNet in California presentations
- FirstNet Process Roadmap
- FirstNet by the Numbers infographic, versions 1 and 2
- RFI and Interpretations of Parts of the Act response
- Initial Consultation Checklist Response



FirstNet Update

SAIC®

FirstNet Funding

With FCC's Advanced Wireless Services (AWS)-3 spectrum auction bidding passing $40B, FirstNet will receive full funding

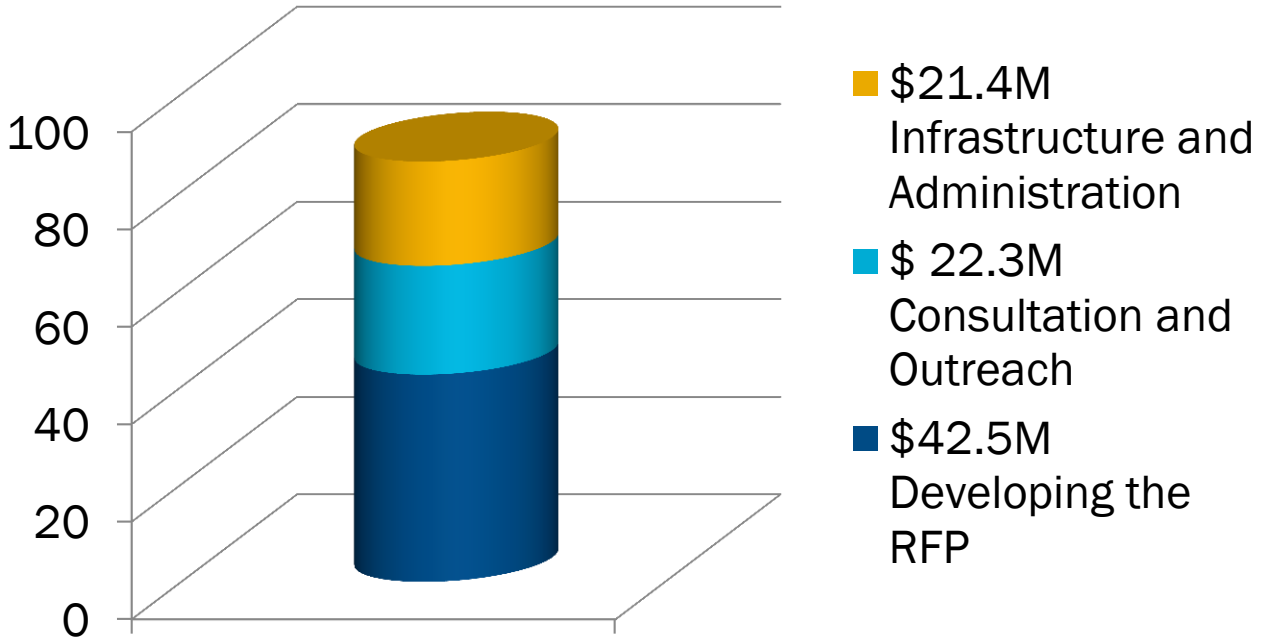
$7Billion

SAIC

FirstNet 2015 Budget

The 2015 budget reflects FirstNet's two primary focus areas:

- **Developing the Comprehensive Network RFP**
- **Conducting State Consultations and Outreach**



The $86.2M budget is 28% less than the $120M authorized by the Board
